

# SAND CREEK REGIONAL GREENWAY

Wilderness In the City

**WELCOME**  
Connecting communities in Commerce City, Denver and Aurora, this multi-use trail extends nearly 14 miles and future expansions are planned.

Please enjoy and protect our wilderness in the city.

## Sand Creek Regional Greenway is open to all forms of non-motorized uses, including horses.

The trail is concrete in Commerce City and soft surface (crusher fine) in Denver and Aurora. Denver is planning to build a paved trail, next to the soft surface trail between Quebec and Peoria in the next few years.

Contact information and regulations are on the other side of this kiosk.

The Sand Creek Regional Greenway is a Lottery-funded Great Outdoors Colorado Project.
