

Sustainable Trails For All Workshop

with Trail Accessibility Guidelines

October 11-12, 2017

Crotched Mountain Foundation
1 Verney Drive
Greenfield, New Hampshire

This two-day, in-depth, field-oriented workshop will provide you with information on the Federal Trail Accessibility Guidelines that were released in September of 2013. This workshop will help you understand the guidelines and will provide an overview of the techniques and hands-on skills needed to build sustainable hiking trails that provide enjoyment for all. Whether you work with an existing trail or are contemplating a new trail, this workshop is for you!

See page 2 for more details.
